

DEB KERRISON MASTER OF BUSINESS LEADERSHIP MBL-CGSB

I am a highly qualified Trainer and Assessor with extensive experience in the areas of leadership training and business development gained from the more than twenty years' I have spent working for a variety of Registered Training Organisations (RTOs) across WA.

KEY STRENGTHS

- ✓ A highly skilled trainer with over twenty years' experience in training and development roles across WA
- ✓ Able to see the big picture and the fine detail, and to set and achieve challenging goals
- ✓ Proven in the development and implementation of new strategic directions and the development of operational and financial strategies
- ✓ Experience in the development and implementation of solutions to complex business problems often involving building and managing strategic alliances and partnerships
- ✓ Strong interpersonal skills with an ability to relate well to people across all levels of an organisation
- ✓ Well-developed communication skills (written and verbal) with a proven ability to compile and deliver detailed training and business development plans across a multi-faceted organisation
